

# BLACKBERRY VANILLA JAM

## DIRECTIONS

**1. Print** labels onto full-sheet (8.5-by-11") matte white sticker paper.

- Print page 2 for 2.5" rectangle labels designed to fit the smooth sided of most canning jar lids. File includes 10 labels per page, with space to write made/opened dates and batch number.
- Print page 3 for 2" circular labels designed to fit the top of regular mouth mason jars, or print at 120% for larger wide mouth jars.

**2. Cut out** shapes using scissors or an Xacto knife. For hang tags, punch a 1/8" hole in the top of tags and tie onto jars with decorative twine or ribbon.

**3. Adhere or tie** to processed and cooled jars.

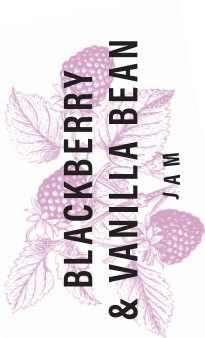

## TIPS & TRICKS

**Print in full color**, using the highest quality setting on your printer.

**Print at 100% scale** (make sure 'scale to fit' is unchecked) to ensure labels are printed at the correct size.

**Weatherproof label material**, if you can find it, will allow your labels will better hold up to the elements (refrigerator condensation, for example). You can choose inkjet or laser material depending on what kind of printer you have.

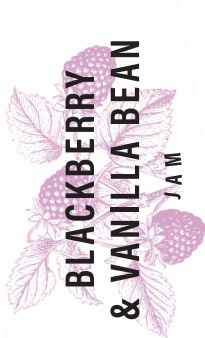

**You can also print onto cardstock** and use as a hang tag.
