

CARDAMOM PEAR BUTTER

DIRECTIONS

1. Print labels onto full-sheet (8.5-by-11") cardstock or label paper; brush edges with metallic gold paint.

- Print page 2 for pear cardamom butter. 15 per page.
- Print page 4 directly on back of page 2 for a double-sided design or on separate cardstock. 15 per page.

2. Cut out shapes using scissors or an Xacto knife. For hang tags, punch holes in the top center or top left corner using a small (1/8-inch) punch.

3. Tie to processed and cooled jars with decorative ribbon or twine.

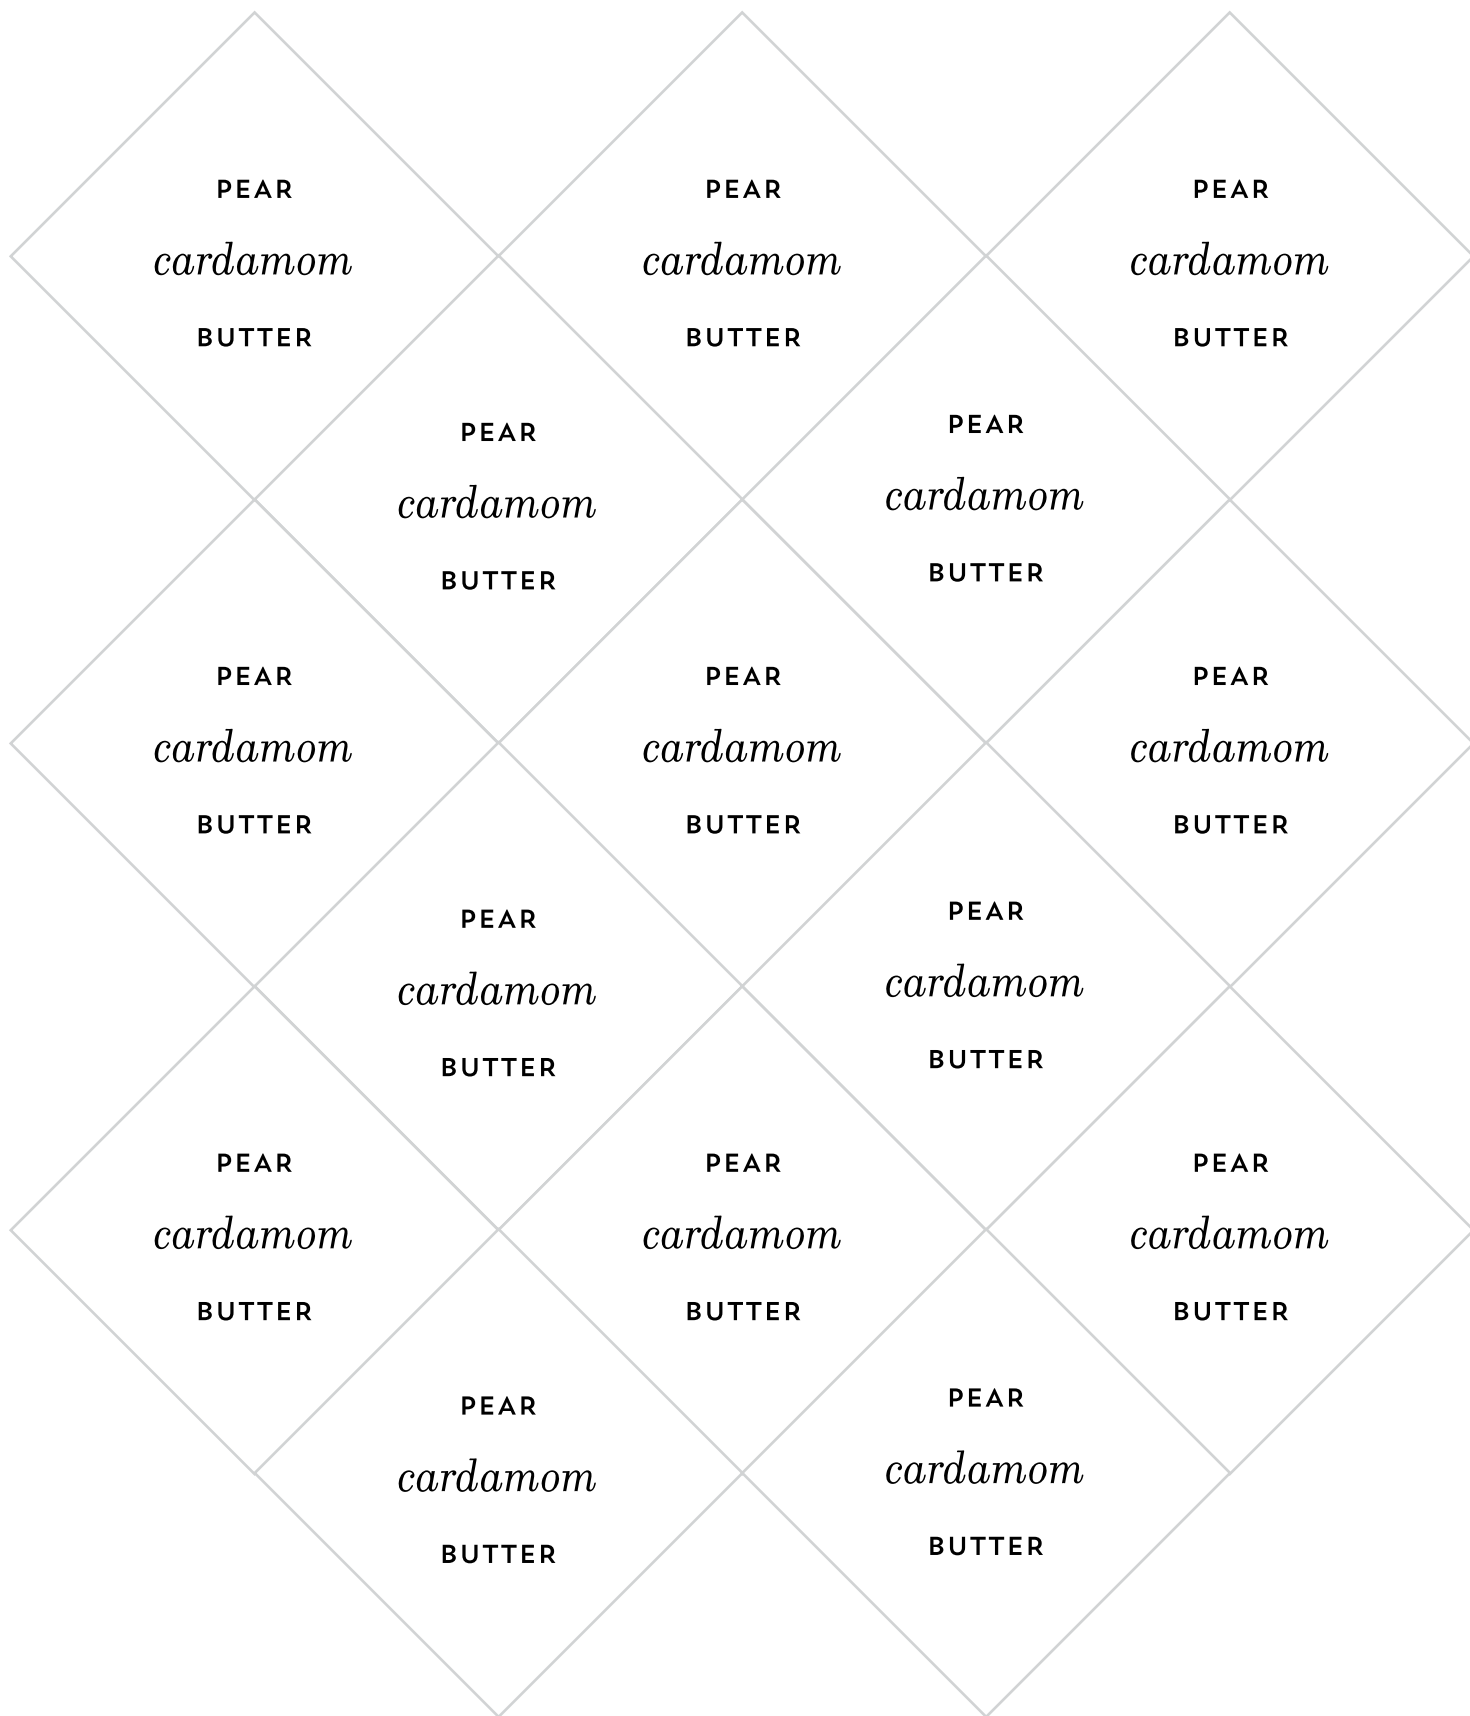

TIPS & TRICKS

Print in full color, using the highest quality setting on your printer.

Print at 100% scale (make sure 'scale to fit' is unchecked) to ensure labels are printed at the correct size.

Weatherproof label material, if you can find it, will allow your labels will better hold up to the elements (refrigerator condensation, for example). You can choose inkjet or laser material depending on what kind of printer you have.

You can also print onto label paper and use as a label sticker.
