

TRIPLE CITRUS MARMALADE

DIRECTIONS

1. Print labels onto full-sheet (8.5-by-11") white sticker paper. Each page includes half white and half black background designs and dated back labels.

- Print page 2 for meyer lemon, cara cara, and blood oranges. 10 per page.
- Print page 3 for any citrus varieties. 10 per page.

2. Cut out rectangles using scissors or an Xacto knife.

3. Adhere to processed and cooled jars.

TIPS & TRICKS

Print in full color, using the highest quality setting on your printer.

Print at 100% scale (make sure 'scale to fit' is unchecked) to ensure labels are printed at the correct size.

Weatherproof label material, if you can find it, will allow your labels will better hold up to the elements (refrigerator condensation, for example). You can choose inkjet or laser material depending on what kind of printer you have.

For mason jars with two-piece lids, you can also print the labels onto cardstock and punch a hole and use as a hang tag.
